PROTECT YOUR VALUABLE ASSETS WITH KIVU'S ADVISORY SERVICES

In an ever-evolving threat landscape, resilience is key. Kivu's Advisory Services offer strategic guidance and customized support to enhance your security capabilities against modern risks.

With extensive proactive incident response expertise, we prioritize preparation, prevention and defenses. Our advisors develop comprehensive procedures and conduct assessments, and exercises to prepare your organization for threats, identifying vulnerabilities and crafting robust, forward-thinking cybersecurity strategies to ensure your resilience against escalating threats.

SOLUTIONS

<p>RISK ASSESSMENTS</p> <ul style="list-style-type: none"> • Ransomware Readiness • NIST • CIS • Other Regulatory/Compliance Frameworks 	<p>OFFENSIVE SECURITY</p> <ul style="list-style-type: none"> • Internal/External Pen Testing • Red Team Exercises • Purple Team Exercises • Web Application Assessment • Vulnerability Assessment
